Unto His Excellency the Honourable Sir Walter Francis Hely-Hutchinson, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief of His Majesty's Colony of the Cape of Good Hope, and of the Territories and Dependencies Thereof, etc.

The Humble Petition of the undersigned, showeth,

I. That Your Petitioners are registered voters not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Matatiele as hereinafter described.

II. That the Township of Matatiele is the seat of a Magistracy and is the centre of extensive pastoral, agricultural, and commercial enterprise and interest. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with increase of population, extension of business pursuits, and general needs renders the adoption of a Municipality a matter of urgent necessity in the interests of the public.

III. That Your Petitioners desire that Your Excellency should, as from the first day of January, 1904, declare the Town of Matatiele a Municipality under the provisions of the Municipal Act of 1882, and assign the name of "Matatiele Municipality" to the area which shall be the limits contained within the following boundaries: from the most northern beacon named "Mole," common to Ramhlakoana's Location, Julius Koapa's Location, and the Reserve round the Magistracy; thence southward to the beacon named "Tower," common to the farms "Simpson" and Julius Khoapa's Location; thence to the beacon called "Tent-guard" on the line between the said farm "Simpson" and the Reserve; thence to the beacon called "Silo," common to the farms "Polygon" and "Simpson"; thence to the beacon called "Magwai," common to the farm "Polygon" and Mangozela's Location, thence along the line between the Native Location and the Reserve to the most westerly beacon called "Matatiele," thence south-east-wards to the beacon called "Basin," common to the farm 'Avenham" and Mgubo's Location; thence eastwards to the beacon named "Letukanear," common to the farms "Avenham," "Kenilworth," and "Entremonts"; from thence to the beacon called "Letuka," common to the farms "Entremonts," "Harmony," and "Compensation; thence in a northward direction to the beacon called "Caliso" on the line between the farm "Compensation," and the Reserve around the Magistracy aforesaid; from thence to the beacon called "Jefta," common to the farms "Compensation" and Blakely"; thence to the beacon called "Itswana," common to the farm "Blakely" and the adjoining Native Location; thence in a north-westerly direction to the beacons called "Baputi," and "Mat'trig," along the line between the aforesaid Native Location and the Reserve, and thence to the firstnamed beacon "Mole," excluding the above-mentioned farms and Native Locations.

IV. That your Petitioners desire generally to exercise the entire powers conferred on Municipal authorities under the said Municipal Act of 1882, and especially that the proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purposes of and subject to the provisions of the said Municipal Act of 1882; also power to hold Municipal lands, and to apply to Your Excellency in writing for consent to dispose of or alienate, or to be built upon, enclosed, or cultivated any part or portion thereof, and of the Commonage pasture-lands, and any other lands which shall or may become vested in the said Council; to appoint officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such officers; to frame Bye-laws and Regulations as provided for in Section 109 of the said Act, to make valuations, and to make, levy, and recover rates upon all rateable property in the Municipality; to grant Licences for brick-kilns, quarries, squatters, and grazing within the bounds of the said Municipality; and in every respect to exercise all the powers conferred in the said Municipal Act of 1882, save and except in so far as the same may be repugnant to or inconsistent with the specific requests hereinafter set forth.

V. And specially, your Petitioners further pray:—

1. That Section 17 of the said Municipal Act may be amended or modified in such manner as to remove the disqualification attaching to any person receiving Government pay or allowance, save and except in so far as any person upon fixed establishment is concerned.
2. That all and any surveyed Crown Lands within the aforesaid boundaries not already disposed of, or allotted, together with any Derelict lands within the said boundaries shall *ipso facto*, become vested in the Municipality to be utilised by them in terms of the 160th section of the said Municipal Act of 1882.
3. That all and any Quitrents hitherto payable to Government for and in respect of any lands or erven within the aforesaid boundaries, shall also revert to and become the property of and payable to the said proposed Municipality.
4. That the capital amounts of, or any balance due upon, any bonds over any lands or erven within the said boundaries, and the interests accruing thereon, hitherto paid to the Government, shall be ceded to and become the property of, and payable to, the said Municipality.
5. That the 159th section of the said Municipal Act of 1882 may be amended or modified in such manner as to be consistent with the provisions contained in a letter from the Right Honourable the Prime Minister and conveyed to your Petitioners by a letter No. 3/53/03, on the 17th March, 1903, from the Chief Magistrate of the Transkeian Territories, in which the assurance is given to your Petitioners that the Government will, as heretofore provide for the up-keep of all roads except such portion as falls within the actual surveyed limits of the Township of Matatiele.
6. That the Pound at present established in the Township shall forthwith become vested in the proposed Municipality.
7. That Proclamation No. 63 of 1893 shall be repealed, and the Market forthwith become vested in the said Municipality.

VI. That the following Acts of Parliament which appear to your Petitioners to be fitting and necessary to the proposed Municipality, should be proclaimed in force within the aforesaid boundaries,

SWISS FARM LABOURERS.

THE Government, having arranged to obtain a limited number of Swiss Farm Labourers for employment by farmers in the Vine and Fruit districts, invite applications for such labourers, to be addressed to the undersigned, stating the number required, and whether single or married men with families.

The terms and conditions on which the labourers can be engaged are stated hereunder.

The applications which have already been made for Italian labourers will, unless advice be received to the contrary, be held to stand for Swiss labourers.

The labourers will, as far as possible, be allotted to applicants according to priority of application. Applicants will receive the longest possible notice by letter as to when their labourers may be expected to arrive in the Colony.

CHARLES CURREY,
Under Secretary for Agriculture.

CONDITIONS FOR EMPLOYMENT OF SWISS FARM LABOURERS.

1. The labourer and his family will be landed in Cape Town free to the employer, who will not be called upon for any part of the passage money. The employer will, however, have to bear cost of conveying the labourer and family from Cape Town to his farm.

2. The wages to be paid to the labourer by the employer shall be at the following rates, viz.:—

For each MAN, 2s. 6d. for every full working day.

For each WOMAN, 1s. for every full working day, except during the Fruit season, when for working extra time the rate shall be 1s. 3d. for every full working day.

For CHILDREN, such rate as may be mutually agreed upon between the employer and the parent or parents of the said children.

3. The working day for men shall commence at sunrise and terminate at sunset; for women and children, it will commence at 8 o'clock a.m. and terminate at 4 o'clock p.m.: Provided that there be allowed to the labourer for meals in summer two hours; in winter, one and a half hours per day.

4. The working week shall comprise not less than five and a half full working days, and at the labourer's option may be extended to six days upon such terms as to wages or otherwise as may be agreed upon between the employer and the labourer.

5. The employer shall provide the labourer with a cottage containing at least two rooms, but such further room or rooms shall be provided as may be rendered necessary by the number of persons in the family of the labourer.

6. The employer shall provide each labourer (or if married, the head of each labourer's family), with suitable garden ground, in extent not less than one acre.

7. On the satisfactory completion of the Contract hereinbefore set forth, the Government will use its influence and best endeavours to promote a fresh Contract or Contracts between the labourer and the employer, whereby the labourer shall be entitled to remain on the land and work some portion or portions of the same on the "Metayer" system, or upon some other system or principle by which the labourer will have the right to enjoy a share or shares in the profits derived from the land under cultivation.

Surveyor-General's Office,
Cape Town, 15th August, 1903.

IN terms of Section 4, Act 26, of 1891, as re-enacted by Act No. 18 of 1897, it is hereby notified that the following pieces of Crown Land, situate in the Division of Gordonia will be offered for Lease, by Public Auction, in front of the Civil Commissioner's Office, at Upington, at 10 o'clock, a.m., on Saturday, 7th November, 1903, subject to the conditions and stipulations hereinafter contained, and further to such conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than one year and not exceeding five years, to the highest bidder.

The following are the Conditions of Lease:—

1. One year's rent shall be paid to the Civil Commissioner on the day of Sale, and if the term of the Lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties; provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security shall not be required.

2. The Government reserves the right of terminating the Lease should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at two months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the Lessee.

3. Government Land Surveyors employed in the survey of Crown or other lands with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes, and the right of occuping any part of the land, and grazing and watering their cattle or horses on all pastures and at all waters.

4. All roads running over the land leased may be used by the public as cattle thoroughfares (trekpaths) to the extent of 200 yards on each side of such road.

5. The public travelling shall have the right of outspanning along any road running over the land so leased.

6. The right of searching and mining for ores, metals, minerals, or precious stones, is reserved to the Government or to any person authorised by it, save in so far as such right may limit the rights and privileges of the said Lessee in respect of precious stones and minerals, in manner provided by any Act in that behalf.

7. The Government does not undertake to point out any beacons. The description of the Lot will be given on the day of Sale of the Leases, and the Lessee will thereupon be expected to find the extent leased by him.

8. The Lessee shall not be allowed to cut down, bark, or otherwise injure any trees or saplings on the land leased.

9. The Lessee shall not be entitled at the expiration or other termination of his Lease, to any compensation for improvements made during the term of the Lease, but they shall become the property of the Government.

10. The Lessee shall be required to keep all existing improvements on the land in good repair during the Lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.

11. The Lessee shall not transfer the Lease nor sublet the land or any portion of it, or any buildings or erections thereon, without the written sanction of the Government first obtained.

12. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.

13. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Civil Commissioner, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

14. The occupation of land under this Lease shall not be held to be *bona fide* occupation under the provisions and for the purposes of Section 20 of Act No. 40 of 1895.

15. *The lessee shall not have the right to kill, catch, capture, hunt or wound, any wild ostriches, or take, remove, interfere with or disturb the eggs except under a licence issued under Act 33 of 1889 or such similar Act.*

Other conditions may be declared on the day of Sale.

The Stamps required by Act No. 20 of 1884, to be affixed to the Contracts of Lease will be furnished by the Government free of charge to the Lessee.

(i) That if no payment be made on the day of sale one tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

PROPOSED MATATIELE MUNICIPALITY.

NOTICE.

IN terms of Section 9 of Act 45 of 1882, notice is hereby given that at a public meeting of house-holders and registered voters resident within the limits of the Township of Matatiele held on the 24th day of August, 1903, the following Petition to His Excellency the Governor was adopted praying that the area hereinafter defined should be constituted a Municipality as from the 1st January, 1904, in terms of the said Act, of which resolution due intimation is hereby made to all concerned.

PETITION.

To His Excellency the Governor of the Cape of Good Hope, for the constitution of a Municipality in the Township of Matatiele.

Unto His Excellency the Honourable Sir Walter Francis Hely-Hutchinson, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief of His Majesty's Colony of the Cape of Good Hope, and of the Territories and Dependencies Thereof, etc.

The Humble Petition of the undersigned, sheweth,

I. That Your Petitioners are registered voters not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Matatiele as hereinafter described.

II. That the Township of Matatiele is the seat of a Magistracy and is the centre of extensive pastoral, agricultural, and commercial enterprise and interest. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with increase of population, extension of business pursuits, and general needs renders the adoption of a Municipality a matter of urgent necessity in the interests of the public.

III. That Your Petitioners desire that Your Excellency should, as from the first day of January, 1904, declare the Town of Matatiele a Municipality under the provisions of the Municipal Act of 1882, and assign the name of "Matatiele Municipality" to the area which shall be the limits contained within the following boundaries: from the most northern beacon named "Mole," common to Ramhlakoana's Location, Julius Koapa's Location, and the Reserve round the Magistracy; thence southward to the beacon named "Tower," common to the farms "Simpson" and Julius Khoapa's Location; thence to the beacon called "Tent-guard" on the line between the said farm "Simpson" and the Reserve; thence to the beacon called "Silo," common to the farms "Polygon" and "Simpson"; thence to the beacon called "Magwai," common to the farm "Polygon" and Mangozela's Location, thence along the line between the Native Location and the Reserve to the most westerly beacon called "Matatiele," thence south-east-wards to the beacon called "Basin," common to the farm 'Avenham" and Mgubo's Location; thence eastwards to the beacon named "Letukanear," common to the farms "Avenham," "Kenilworth," and "Entremonts"; from thence to the beacon called "Letuka," common to the farms "Entremonts," "Harmony," and "Compensation; thence in a northward direction to the beacon called "Caliso" on the line between the farm "Compensation," and the Reserve around the Magistracy aforesaid; from thence to the beacon called "Jefta," common to the farms "Compensation" and Blakely"; thence to the beacon called "Itswana," common to the farm "Blakely" and the adjoining Native Location; thence in a north-westerly direction to the beacons called "Baputi," and "Mat'trig," along the line between the aforesaid Native Location and the Reserve, and thence to the firstnamed beacon "Mole," excluding the above-mentioned farms and Native Locations.

IV. That your Petitioners desire generally to exercise the entire powers conferred on Municipal authorities under the said Municipal Act of 1882, and especially that the proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purposes of and subject to the provisions of the said Municipal Act of 1882; also power to hold Municipal lands, and to apply to Your Excellency in writing for consent to dispose of or alienate, or to be built upon, enclosed, or cultivated any part or portion thereof, and of the Commonage pasture-lands, and any other lands which shall or may become vested in the said Council; to appoint officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such officers; to frame Bye-laws and Regulations as provided for in Section 109 of the said Act, to make valuations, and to make, levy, and recover rates upon all rateable property in the Municipality; to grant Licences for brick-kilns, quarries, squatters, and grazing within the bounds of the said Municipality; and in every respect to exercise all the powers conferred in the said Municipal Act of 1882, save and except in so far as the same may be repugnant to or inconsistent with the specific requests hereinafter set forth.

V. And specially, your Petitioners further pray:—

1. That Section 17 of the said Municipal Act may be amended or modified in such manner as to remove the disqualification attaching to any person receiving Government pay or allowance, save and except in so far as any person upon fixed establishment is concerned.
2. That all and any surveyed Crown Lands within the aforesaid boundaries not already disposed of, or allotted, together with any Derelict lands within the said boundaries shall *ipso facto*, become vested in the Municipality to be utilised by them in terms of the 160th section of the said Municipal Act of 1882.
3. That all and any Quitrents hitherto payable to Government for and in respect of any lands or erven within the aforesaid boundaries, shall also revert to and become the property of and payable to the said proposed Municipality.
4. That the capital amounts of, or any balance due upon, any bonds over any lands or erven within the said boundaries, and the interests accruing thereon, hitherto paid to the Government, shall be ceded to and become the property of, and payable to, the said Municipality.
5. That the 159th section of the said Municipal Act of 1882 may be amended or modified in such manner as to be consistent with the provisions contained in a letter from the Right Honourable the Prime Minister and conveyed to your Petitioners by a letter No. 3/53/03, on the 17th March, 1903, from the Chief Magistrate of the Transkeian Territories, in which the assurance is given to your Petitioners that the Government will, as heretofore provide for the up-keep of all roads except such portion as falls within the actual surveyed limits of the Township of Matatiele.
6. That the Pound at present established in the Township shall forthwith become vested in the proposed Municipality.
7. That Proclamation No. 63 of 1893 shall be repealed, and the Market forthwith become vested in the said Municipality.

VI. That the following Acts of Parliament which appear to your Petitioners to be fitting and necessary to the proposed Municipality, should be proclaimed in force within the aforesaid boundaries,

(*a*). Act 36 of 1891, known as the "Crown Property Rating Act, 1891."

(*b*). Act 27 of 1892, known as the "Divisional and Municipal Councils Permissive Ballot Act, 1892," together with the amendement thereof as contained in Act 18 of 1899.

(*c*). Act 12 of 1893, known as the "Local Bodies' Increased Powers Act, 1893."

(*d*). Act 22 of 1893, cited as the "Municipal Amendment Act, 1893."

(*e*). Act 27 of 1894, cited as the "Actions against Divisional Councils or Municipalities Act, 1894."

(*i*). Act 32 of 1902, cited as the "Local Authorities Police Contributions Exemptions Act of 1902."

Your Petitioners humbly pray that Your Excellency will be pleased to grant the prayer of this Petition, or grant such further or other relief as to Your Excellency may seem meet.

And your Petitioners as in duty bound will ever pray.

De kooper zal verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent Court of Law, without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made shall be forfeited to the Government.

PROPOSED "KOMGHA MUNICIPALITY."

NOTICE.

IN terms of Section 9 of Act 45 of 1882, Notice is hereby given that at a Public Meeting of Householders and Registered Voters resident within the limits of the present Village Management Area of Komgha, held on 1st July, 1903, the following Petition to His Excellency the Governor was adopted unanimously, praying that the Area therein defined, should be constituted a Municipality, in terms of the said Act, of which Resolution due intimation is hereby made to all concerned.

Komgha, 8th July, 1903.

Unto His Excellency Sir Walter Francis Hely-Hutchinson, K.G.C., K.C.M.G., Governor and Commander in Chief of His Majesty's Colony of the Cape of Good Hope, and of the Colonies and Dependencies thereof, &c., &c., &c.

The Humble Petition of the Undersigned sheweth:—

That your Petitioners are Registered Voters, not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Komgha, as after described.

That the town of Komgha is the seat of a Magistracy, and is the centre of extensive pastoral and agricultural enterprise and interests. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with rapid increase of population, and extension of business pursuits, renders the adoption of a Municipal form of Government, in the interests of the public health, a matter of urgent necessity.

That your Petitioners desire that Your Excellency should declare the town of Komgha a Municipality under the provisions of the "Municipal Act of 1882," and assign the name of "Komgha Municipality" to such Municipality, the area of which will be the limits contained within the following boundaries, which are identical with those now under the control of the Komgha Village Management Board, as defined in Government Proclamation No. 131 of 1903, viz.:—"From the South-Eastern Beacon of the Komgha Commonage, common to Farms No. 223, No. 225, and 257, as shown on plan 1932oo, filed in the Surveyor-General's Office; thence along the boundaries of the following Farms, so as to exclude them from the area, No. 257, No. 260, No. 278, No. 217, to the Great Kei Road: thence along the Great Kei Road to its junction with the North-Western Boundary of Komgha Commonage; thence along the boundaries of the following Farms, so as to exclude them from the area Farm No. 218 and Farm No. 223, to the Southern Beacon common to Komgha Commonage, being the Beacon first named."

That your Petitioners desire generally to exercise, when found necessary, the entire powers conferred on Municipal Authorities under said "Municipal Act of 1882"; and, specifically, that said proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purpose of, and subject to the provisions of the said "Municipal Act of 1882"; also power to hold Municipal lands and to apply to Your Excellency, in writing, for consent to dispose of, or alienate, or permit to be built upon, enclosed, or cultivated any part or portion of the Commonage pasture lands of the Municipality, or any other lands which shall be vested in the said Council; to appoint Officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such Officers; to frame Bye-laws and Regulations as provided in Section 109 of the said Act; to make valuations, and to make, levy, and recover rates upon all rateable property within the Municipality.

Your Petitioners humbly pray that Your Excellency, in your discretion will be pleased to grant the prayer of this Petition, or such part or parts thereof as to Your Excellency may seem just and meet in the premises.

And your Petitioners, as in duty bound, will every pray.

W. H. SWAN,
A. C. SEALE,
H. V. BROWN,
A. D. CAMPBELL.
And 24 other Registered Voters resident within proposed Municipal Area.

PROPOSED MATATIELE MUNICIPALITY.

NOTICE.

IN terms of Section 9 of Act 45 of 1882, notice is hereby given that at a public meeting of house-holders and registered voters resident within the limits of the Township of Matatiele held on the 24th day of August, 1903, the following Petition to His Excellency the Governor was adopted praying that the area hereinafter defined should be constituted a Municipality as from the 1st January, 1904, in terms of the said Act, of which resolution due intimation is hereby made to all concerned.

PETITION.

To His Excellency the Governor of the Cape of Good Hope, for the constitution of a Municipality in the Township of Matatiele.

Unto His Excellency the Honourable Sir Walter Francis Hely-Hutchinson, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief of His Majesty's Colony of the Cape of Good Hope, and of the Territories and Dependencies Thereof, etc.

The Humble Petition of the undersigned, sheweth,

I. That Your Petitioners are registered voters not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Matatiele as hereinafter described.

II. That the Township of Matatiele is the seat of a Magistracy and is the centre of extensive pastoral, agricultural, and commercial enterprise and interest. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with increase of population, extension of business pursuits, and general needs renders the adoption of a Municipality a matter of urgent necessity in the interests of the public.

III. That Your Petitioners desire that Your Excellency should, as from the first day of January, 1904, declare the Town of Matatiele a Municipality under the provisions of the Municipal Act of 1882, and assign the name of "Matatiele Municipality" to the area which shall be the limits contained within the following boundaries: from the most northern beacon named "Mole," common to Ramhlakoana's Location, Julius Koapa's Location, and the Reserve round the Magistracy; thence southward to the beacon named "Tower," common to the farms "Simpson" and Julius Khoapa's Location; thence to the beacon called "Tent-guard" on the line between the said farm "Simpson" and the Reserve; thence to the beacon called "Silo," common to the farms "Polygon" and "Simpson"; thence to the beacon called "Magwai," common to the farm "Polygon" and Mangozela's Location, thence along the line between the Native Location and the Reserve to the most westerly beacon called "Matatiele," thence south-east-wards to the beacon called "Basin," common to the farm 'Avenham" and Mgubo's Location; thence eastwards to the beacon named "Letukanear," common to the farms "Avenham," "Kenilworth," and "Entremonts"; from thence to the beacon called "Letuka," common to the farms "Entremonts," "Harmony," and "Compensation; thence in a northward direction to the beacon called "Caliso" on the line between the farm "Compensation," and the Reserve around the Magistracy aforesaid; from thence to the beacon called "Jefta," common to the farms "Compensation" and Blakely"; thence to the beacon called "Itswana," common to the farm "Blakely" and the adjoining Native Location; thence in a north-westerly direction to the beacons called "Baputi," and "Mat'trig," along the line between the aforesaid Native Location and the Reserve, and thence to the firstnamed beacon "Mole," excluding the above-mentioned farms and Native Locations.

IV. That your Petitioners desire generally to exercise the entire powers conferred on Municipal authorities under the said Municipal Act of 1882, and especially that the proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purposes of and subject to the provisions of the said Municipal Act of 1882; also power to hold Municipal lands, and to apply to Your Excellency in writing for consent to dispose of or alienate, or to be built upon, enclosed, or cultivated any part or portion thereof, and of the Commonage pasture-lands, and any other lands which shall or may become vested in the said Council; to appoint officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such officers; to frame Bye-laws and Regulations as provided for in Section 109 of the said Act, to make valuations, and to make, levy, and recover rates upon all rateable property in the Municipality; to grant Licences for brick-kilns, quarries, squatters, and grazing within the bounds of the said Municipality; and in every respect to exercise all the powers conferred in the said Municipal Act of 1882, save and except in so far as the same may be repugnant to or inconsistent with the specific requests hereinafter set forth.

V. And specially, your Petitioners further pray:—

1. That Section 17 of the said Municipal Act may be amended or modified in such manner as to remove the disqualification attaching to any person receiving Government pay or allowance, save and except in so far as any person upon fixed establishment is concerned.
2. That all and any surveyed Crown Lands within the aforesaid boundaries not already disposed of, or allotted, together with any Derelict lands within the said boundaries shall *ipso facto*, become vested in the Municipality to be utilised by them in terms of the 160th section of the said Municipal Act of 1882.
3. That all and any Quitrents hitherto payable to Government for and in respect of any lands or erven within the aforesaid boundaries, shall also revert to and become the property of and payable to the said proposed Municipality.
4. That the capital amounts of, or any balance due upon, any bonds over any lands or erven within the said boundaries, and the interests accruing thereon, hitherto paid to the Government, shall be ceded to and become the property of, and payable to, the said Municipality.
5. That the 159th section of the said Municipal Act of 1882 may be amended or modified in such manner as to be consistent with the provisions contained in a letter from the Right Honourable the Prime Minister and conveyed to your Petitioners by a letter No. 3/53/03, on the 17th March, 1903, from the Chief Magistrate of the Transkeian Territories, in which the assurance is given to your Petitioners that the Government will, as heretofore provide for the up-keep of all roads except such portion as falls within the actual surveyed limits of the Township of Matatiele.
6. That the Pound at present established in the Township shall forthwith become vested in the proposed Municipality.
7. That Proclamation No. 63 of 1893 shall be repealed, and the Market forthwith become vested in the said Municipality.

VI. That the following Acts of Parliament which appear to your Petitioners to be fitting and necessary to the proposed Municipality, should be proclaimed in force within the aforesaid boundaries,

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, als geamendeerd door artikels IV., V. en VI., van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat het volgende Erven of stukken Kroonland, gelegen in de Afdeeling van Riversdale, bij publieke auctie te koop aangeboden zullen worden voor het kantoor van den Civielen Commissaris, te Riversdale, om 10 uur v.m., op Woensdag, den 25sten November, 1903, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en in de algemeene koopcondities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van de Civielen Commissaris goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot die betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van execussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk deel en van den Grondbrief (nl., 12s. 3d.) zullen aan de Civielen Commissaris, of anders te dien opzichte wettelijk geauthoriseerde persoon, op den koopdag betaald worden.

In geval de koopprijs £25 of meer is, is de kooper verplicht een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase money is less than **twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.**

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Civil Commissioner, which sureties will bind themselves in regard to such payments as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail, or are unable to make the necessary payments of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of Survey on each Lot and of the Title Deed (viz., 12s. 3d.) shall be paid to the Civil Commissioner, or other duly authorised person in that behalf on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond bearing interest at the rate of four per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent Court of Law without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made shall be forfeited to the Government.

The Diagrams and Conditions of Sale may be seen at the Surveyor-General's Office, Cape Town, and at the Office of the Civil Commissioner, Barkly West.

PROPOSED "KOMGHA MUNICIPALITY."

NOTICE.

IN terms of Section 9 of Act 45 of 1882, Notice is hereby given that at a Public Meeting of Householders and Registered Voters resident within the limits of the present Village Management Area of Komgha, held on 1st July, 1903, the following Petition to His Excellency the Governor was adopted unanimously, praying that the Area therein defined, should be constituted a Municipality, in terms of the said Act, of which Resolution due intimation is hereby made to all concerned.

Komgha, 8th July, 1903.

Unto His Excellency Sir Walter Francis Hely-Hutchinson, K.G.C., K.C.M.G., Governor and Commander in Chief of His Majesty's Colony of the Cape of Good Hope, and of the Colonies and Dependencies thereof, &c., &c., &c.

The Humble Petition of the Undersigned sheweth:—

That your Petitioners are Registered Voters, not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Komgha, as after described.

That the town of Komgha is the seat of a Magistracy, and is the centre of extensive pastoral and agricultural enterprise and interests. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with rapid increase of population, and extension of business pursuits, renders the adoption of a Municipal form of Government, in the interests of the public health, a matter of urgent necessity.

That your Petitioners desire that Your Excellency should declare the town of Komgha a Municipality under the provisions of the "Municipal Act of 1882," and assign the name of "Komgha Municipality" to such Municipality, the area of which will be the limits contained within the following boundaries, which are identical with those now under the control of the Komgha Village Management Board, as defined in Government Proclamation No. 131 of 1903, viz.:—"From the South-Eastern Beacon of the Komgha Commonage, common to Farms No. 223, No. 225, and 257, as shown on plan 1932oo, filed in the Surveyor-General's Office; thence along the boundaries of the following Farms, so as to exclude them from the area, No. 257, No. 260, No. 278, No. 217, to the Great Kei Road: thence along the Great Kei Road to its junction with the North-Western Boundary of Komgha Commonage; thence along the boundaries of the following Farms, so as to exclude them from the area Farm No. 218 and Farm No. 223, to the Southern Beacon common to Komgha Commonage, being the Beacon first named."

That your Petitioners desire generally to exercise, when found necessary, the entire powers conferred on Municipal Authorities under said "Municipal Act of 1882"; and, specifically, that said proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purpose of, and subject to the provisions of the said "Municipal Act of 1882"; also power to hold Municipal lands and to apply to Your Excellency, in writing, for consent to dispose of, or alienate, or permit to be built upon, enclosed, or cultivated any part or portion of the Commonage pasture lands of the Municipality, or any other lands which shall be vested in the said Council; to appoint Officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such Officers; to frame Bye-laws and Regulations as provided in Section 109 of the said Act; to make valuations, and to make, levy, and recover rates upon all rateable property within the Municipality.

Your Petitioners humbly pray that Your Excellency, in your discretion will be pleased to grant the prayer of this Petition, or such part or parts thereof as to Your Excellency may seem just and meet in the premises.

And your Petitioners, as in duty bound, will every pray.

W. H. SWAN,
A. C. SEALE,
H. V. BROWN,
A. D. CAMPBELL,
And 24 other Registered Voters resident within proposed Municipal Area.

Departement van Landbouw,
Kaap de Goede Hoop, 24 September, 1903.

KROONLANDEN VOOR UITKIEZING ONDER WET 40 VAN 1895.

OVEREENKOMSTIG de bepalingen van Sectie VII. van Wet 40 van 1895, wordt hiermede kennis gegeven voor algemeene informatie dat de ondergenoemde plaatsen, gelegen in de Afdeeling van Van Rhijnsdorp, open zullen wezen voor uitzoeking van en na Woensdag, den 6den dag Januari, 1904, op de wijze en bepalingen vermeld in de gezegde Wet 40 van 1895, en hieronder uiteengezet.

1. Ieder aanzoek voor zulk land zal schriftelijk moeten gedaan worden aan den Civielen Commissaris van de Divisie in welke zulk land gelegen is, die daarop zal noteeren den dag waarop zulk aanzoek door hem ontvangen werd, en ze dan onmiddellijk aan den Minister toezenden.

2. Voor het doeleinde van deze Wet, zullen indien er twee of meer aanzoeken ontvangen worden voor hetzelfde land op denzelfden dag na den datum vastgesteld in de kennisgeving, dezelve beschouwd worden als ter gelijkertijd gedaan, en alle aanzoeken gedaan vóór den datum vastgesteld in de kennisgeving zullen beschouwd worden alsof zij gedaan werden op den datum alzoo vastgesteld.

3. De Minister zal de landen waarvoor alzoo aanzoek gedaan werd bedeelen volgens de prioriteit van aanzoek, mits dat indien er twee of meer aanzoeken gedaan werden te gelijker tijd voor hetzelfde land, het recht van prioriteit bepaald zal worden door loten.

4. Ieder aanzoeker voor land onder de provisies van deze Wet zal een declaratie maken, en bij zijn aanzoek voegen, luidende als volgt:—

> Ik, [A.B.] (voeg in woonplaats en occupatie), verklaar hiermede plechtig en oprecht dat ik een-en-twintig jaren oud ben en boven, en dat ik dit tegenwoordige aanzoek doe voor mijn uitsluitend eigen voordeel, en niet direkt of indirekt "voor het gebruik of voordeel van eenig ander persoon hoegenaamd," dat ik niet eigenaar ben van eenig land, dat ik geen schikking of overeenkomst gemaakt heb om eenig ander persoon zulks te doen verkrijgen door koop of anderszins, het land waarvoor dit aanzoek gemaakt is."

5. Ieder aanzoeker op den tijd wanneer aanzoek gedaan wordt zal met den Civielen Commissaris van de Divisie in welke zulk land gelegen is deponeeren een somma gelijkstaande aan het een-en-twintigste van de waarde van zoodanig land, en van de landmeting en andere onkosten in verband daarmede, en ingeval dat hij verzuimt of weigert om het land te nemen waarvoor aanzoek gedaan werd, indien aan hem bedeeld zal de gemelde som absoluut verbeurd wezen aan het Gouvernement: Mits dat in het geval het land waarvoor aanzoek gedaan werd, niet aan hem bedeeld wordt, het geld door hem gedeponeerd dadelijk aan hem terug betaald zal worden.

6. Aan eenig persoon die meerderjarig is, kan land bedeeld worden onder de provisies van deze Wet, maar geen persoon die de geregistreerde eigenaar is van eenig land binnen de Kolonie, en geen persoon die bij den tijd van aanzoek eenig schikking of overeenkomst gemaakt heeft om eenig ander persoon toe te laten te verkrijgen door kooping of anderszins, het land waarvoor aldus aanzoek gedaan wordt, zal land toebedeeld worden en geen persoon kan meer dan één stuk ontvangen krachtens uitzoeking, onder deze Wet.

7. De Minister zal aan den eersten aanzoeker die voldaan zal hebben aan de genoemde condities, voor eenig land onder deze Wet, of in geval van twee of meer aanzoeken voor hetzelfde land aan den aanzoeker bepaald door lot, eene licentie geven om het land te houden voor welk aanzoek gedaan werd op de volgende voorwaarden en condities:—

(*a*) De licentie zal wezen voor vijf jaren, berekend van den aanstaanden eersten Juli, of eersten Januari volgende de datum van licentie, en zal insluiten het tijdperk tusschen den datum van licentie en zulk dag.

(*b*) De jaarlijksche betaling in verband van zoodanige licentie zal gelijkstaande wezen aan een-twintigste van den prijs vastgesteld voor het land alzoo gehouden, tezamen met een twintigste van de opmeting, en andere onkosten van zoodanige land, en zal vooruit betaald worden.

(*c*) Het deposit betaald op den tijd van aanzoek zal in betaling wezen voor het bedrag betaalbaar op den aanstaande eersten dag van Januari of Juli zooals het geval is.

(*d*) Den persoon aan wien zulke licentie uitgereikt is, zal binnen zes maanden van de uitreiking van zijn Licentie persoonlijk het land bewonen dat hem bedeeld werd en zal op zoodanig land blijven, voor een tijdperk van vijf jaren, behalve als hierna bepaald is, of totdat hij een grondbrief ontvangen zal hebben voor zoodanig land.

8. Geen land gehouden onder de provisies van deze Wet zal getransporteerd kunnen worden gedurende den duur van de licentie genoemd in de voorafgaande clausule.

9. In geval van verzuim gedurende den duur van de licentie om te voldoen aan de condities van occupatie, kan de Minister de licentie geheel en al verbeurd verklaren en het land in verband waarmede de licentie uitgereikt is zal naar het Gouvernement terug vervallen: Tenzij dat indien het bewezen wordt naar den voldoening van den Minister dat het verzuim van occupatie veroorzaakt wordt door droogte, hij zulk verzuim kan verontschuldigen; maar zulke verontschuldiging zal niet gegeven worden voor een tijdperk van meer dan twaalf maanden, tenzij zulke droogte aanhoudt voor een langer tijdperk.

10. Na verloop van vijf jaren voor welke eenig licentie gegeven is, en indien het den Minister blijkt dat aan de condities daarin vervat behoorlijk voldaan is, zal hij laten uitreiken aan den licentiehouder een concessie op het land gehouden en bewoond door hem op erfpacht, onderworpen aan betaling van vijftien jaarlijksche paaiementen, elk van het bedrag van een twintigste van de waarde van het land, tezamen met de waarde van de landmeting en andere onkosten die een eerste last zullen wezen op zulk land, en verzekerd zullen worden door een verband ten gunste van het Gouvernement: Mits dat in geval bewezen is geworden ter bevrediging van den Minister, die certificaten zal noodig hebben tot dien effekte, dat de licentie houder na twee jaren van occupatie permanente verbeteringen gemaakt heeft op het land bewoond door hem onder zoodanige licentie, ten minste van gelijke waarde van genoemd land, de Minister dan aan hem kan uitreiken een grondbrief voor het land gehouden of bewoond door hem tegen betaling van zoovele jaarlijksche paaiementen van een-twintigste van de waarde van het land, tezamen met de waarde van de opmeting en andere onkosten, als tezamen met jaarlijksche paaiementen die door hem betaald werden in verband van de licentie van genoemde grond, de geheele waarde opmaken, en zulke jaarlijksche paaiementen verschuldigd, zullen verzekerd worden door verband.

11. Indien eenig paaiment niet betaald wordt binnen drie maanden vanaf den datum op welk het schuldig en betaalbaar is, zal een additioneele som gelijkstaande aan een vierde deel daarvan bijgeteld worden, als een boete, en zal, tezamen met de onbetaalde paaiment, inbaar wezen door dagvaarding van het Gouvernement in eenig bevoegde Gerechtshof.

Deze plaatsen zullen grallottered worden op voorwaarde dat de Gelicenticerde niet vergund is gedurende den duur van zijne Licentie, eenig losch hout of boomen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

De teekeningen en Licentie Akten kunnen gezien worden ten kantore van den Civielen Commissaris van Van Rhijnsdorp, en ten kantore van den Landmeter-Generaal, Kaapstad.

Alle vragen moeten geadresseerd worden aan den Landmeter-Generaal.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, als geamendeerd door artikel IV., V., en VI, van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat het volgende stukken Kroonland, gelegen in de afdeeling van Middelburg, bij publieke auctie te koop aangeboden zal worden voor het kantoor van den Civielen Commissaris, te Middelburg, om 10 uur v.m., op Dinsdag, den 27sten October, 1903, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en in de algemeene koopcondities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en alle zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald word, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van de Civielen Commissaris goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot die betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van executie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk deel van den Grondbrief (nl., 12s. 3d.) zullen aan de Civielen Commissaris, of anders te dien opzichte wettelijk geauthoriseerde persoon, op den koopdag betaald worden.

De kooper zal verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

No. 76, 1903.

Surveyor-General's Office,
Cape Town, 3rd September, 1903.

IN terms of Section II, Act No. 15 of 1887, as amended by Sections IV, V and VI of Act 40 of 1895, it is hereby notified that the following Erven or Lots of Crown Land, situate in the Division of Barkly West, will be offered for Sale, by Public Auction, in front of the Civil Commissioner's Office, at Barkly West, at 10 o'clock a.m., on Tuesday, 24th November, 1903, subject to the conditions and stipulations in the above Act, and in the General Conditions of Sale set forth, and further to such Conditions as may be declared on the day of Sale.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) **In cases where the purchase money is less than twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.**

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Civil Commissioner, which sureties will bind themselves in regard to such payments as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

The expenses of Survey on each Lot and of the Title Deed (viz., 12s. 3d.) shall be paid to the Civil Commissioner, or other duly authorised person in that behalf on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond bearing interest at the rate of four per centum per annum, in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent Court of Law without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made shall be forfeited to the Government.

The Diagrams and Conditions of Sale may be seen at the Surveyor-General's Office, Cape Town, and at the Office of the Civil Commissioner, Barkly West.

PROPOSED MATATIELE MUNICIPALITY.

NOTICE.

IN terms of Section 9 of Act 45 of 1882, notice is hereby given that at a public meeting of house-holders and registered voters resident within the limits of the Township of Matatiele held on the 24th day of August, 1903, the following Petition to His Excellency the Governor was adopted praying that the area hereinafter defined should be constituted a Municipality as from the 1st January, 1904, in terms of the said Act, of which resolution due intimation is hereby made to all concerned.

PETITION.

To His Excellency the Governor of the Cape of Good Hope, for the constitution of a Municipality in the Township of Matatiele.

Unto His Excellency the Honourable Sir Walter Francis Hely-Hutchinson, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief of His Majesty's Colony of the Cape of Good Hope, and of the Territories and Dependencies Thereof, etc.

The Humble Petition of the undersigned, sheweth,

I. That Your Petitioners are registered voters not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Matatiele as hereinafter described.

II. That the Township of Matatiele is the seat of a Magistracy and is the centre of extensive pastoral, agricultural, and commercial enterprise and interest. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with increase of population, extension of business pursuits, and general needs renders the adoption of a Municipality a matter of urgent necessity in the interests of the public.

III. That Your Petitioners desire that Your Excellency should, as from the first day of January, 1904, declare the Town of Matatiele a Municipality under the provisions of the Municipal Act of 1882, and assign the name of "Matatiele Municipality" to the area which shall be the limits contained within the following boundaries: from the most northern beacon named "Mole," common to Ramblakoana's Location, Julius Koapa's Location, and the Reserve round the Magistracy; thence southward to the beacon named "Tower," common to the farms "Simpson" and Julius Khoapa's Location; thence to the beacon called "Tent-guard" on the line between the said farm "Simpson" and the Reserve; thence to the beacon called "Silo," common to the farms "Polygon" and "Simpson"; thence to the beacon called "Magwai," common to the farm "Polygon" and Mangozela's Location, thence along the line between the Native Location and the Reserve to the most westerly beacon called "Matatiele," thence south-east-wards to the beacon called "Basin," common to the farm "Avenham" and Mgubo's Location; thence east-wards to the beacon named "Letukanear," common to the farms "Avenham," "Kenilworth," and "Entremonts"; from thence to the beacon called "Letuka," common to the farms "Entremonts," "Harmony," and "Compensation; thence in a northward direction to the beacon called "Caliso" on the line between the farm "Compensation," and the Reserve around the Magistracy aforesaid; from thence to the beacon called "Jefta," common to the farms "Compensation" and Blakely"; thence to the beacon called "Itswana," common to the farm "Blakely" and the adjoining Native Location; thence in a north-westerly direction to the beacons called "Baputi," and "Mat'trig," along the line between the aforesaid Native Location and the Reserve, and thence to the firstnamed beacon "Mole," excluding the above-mentioned farms and Native Locations.

IV. That your Petitioners desire generally to exercise the entire powers conferred on Municipal authorities under the said Municipal Act of 1882, and especially that the proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purposes of and subject to the provisions of the said Municipal Act of 1882; also power to hold Municipal lands, and to apply to Your Excellency in writing for consent to dispose of or alienate, or to be built upon, enclosed, or cultivated any part or portion thereof, and of the Commonage pasture-lands, and any other lands which shall or may become vested in the said Council; to appoint officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such officers; to frame Bye-laws and Regulations as provided for in Section 109 of the said Act, to make valuations, and to make, levy, and recover rates upon all rateable property in the Municipality; to grant Licences for brick-kilns, quarries, squatters, and grazing within the bounds of the said Municipality; and in every respect to exercise all the powers conferred in the said Municipal Act of 1882, save and except in so far as the same may be repugnant to or inconsistent with the specific requests hereinafter set forth.

V. And specially, your Petitioners further pray:—

1. That Section 17 of the said Municipal Act may be amended or modified in such manner as to remove the disqualification attaching to any person receiving Government pay or allowance, save and except in so far as any person upon fixed establishment is concerned.
2. That all and any surveyed Crown Lands within the aforesaid boundaries not already disposed of, or allotted, together with any Derelict lands within the said boundaries shall *ipso facto*, become vested in the Municipality to be utilised by them in terms of the 160th section of the said Municipal Act of 1882.
3. That all and any Quitrents hitherto payable to Government for and in respect of any lands or erven within the aforesaid boundaries, shall also revert to and become the property of and payable to the said proposed Municipality.
4. That the capital amounts of, or any balance due upon, any bonds over any lands or erven within the said boundaries, and the interests accruing thereon, hitherto paid to the Government, shall be ceded to and become the property of, and payable to, the said Municipality.
5. That the 159th section of the said Municipal Act of 1882 may be amended or modified in such manner as to be consistent with the provisions contained in a letter from the Right Honourable the Prime Minister and conveyed to your Petitioners by a letter No. 3/53/03, on the 17th March, 1903, from the Chief Magistrate of the Transkeian Territories, in which the assurance is given to your Petitioners that the Government will, as heretofore provide for the up-keep of all roads except such portion as falls within the actual surveyed limits of the Township of Matatiele.
6. That the Pound at present established in the Township shall forthwith become vested in the proposed Municipality.
7. That Proclamation No. 63 of 1893 shall be repealed, and the Market forthwith become vested in the said Municipality.

VI. That the following Acts of Parliament which appear to your Petitioners to be fitting and necessary to the proposed Municipality, should be proclaimed in force within the aforesaid boundaries,

(*a*). Act 36 of 1891, known as the "Crown Property Rating Act, 1891."
(*b*). Act 27 of 1892, known as the "Divisional and Municipal Councils Permissive Ballot Act, 1892," together with the amendement thereof as contained in Act 18 of 1899.
(*c*). Act 12 of 1893, known as the "Local Bodies' Increased Powers Act, 1893."
(*d*). Act 22 of 1893, cited as the "Municipal Amendment Act, 1893."
(*e*) Act 27 of 1894, cited as the "Actions against Divisional Councils or Municipalities Act, 1894."
(*f*). Act 23 of 1897, cited as the "Public Health Amendment Act, 1897."

(*i*). Act 32 of 1902, cited as the "Local Authorities Police Contributions Exemptions Act of 1902."

Your Petitioners humbly pray that Your Excellency will be pleased to grant the prayer of this Petition, or grant such further or other relief as to Your Excellency may seem meet.

And your Petitioners as in duty bound will ever pray.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, als geemendeerd door artikel IV., V., en van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Erven, gelegen in het Dorp Tylden, Afdeeling Queenstown, bij publieke veiling te koop aangeboden zullen worden voor het kantoor van den Civielen Commissaris, te Queenstown, om 10 uur v.m., op Vrijdag, den 20sten November, 1903, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en in de algemeene koopcondities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en alle zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het ordeel van den Civielen Commissaris goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot die betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van execussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk deel van den Grondbrief zullen aan den Civielen Commissaris, of andere te dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

Ingeval de koopprijs £25 of meer is, zal de kooper verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

De Kaarten en Condities van Verkooping kunnen gezien worden ten kantore van den Landmeter-Generaal, Kaapstad, en ten kantore van den Civielen Commissaris, Queenstown.

IT is hereby notified, for general information, in connection with the forthcoming Election of Members of the Legislative Council:

(1) That in the *Electoral Division of Cape Town*, Voters can only vote at the Polling Station of the particular District in and for which they are registered, and not elsewhere; and

(2) That Voters registered in the *other Electoral Divisions in the Colony* may vote at *any* Polling Station within the Electoral Division on the Registered Voters' List of which their names appear, but that before they will be permitted to vote at any Polling Station *outside the particular Field-cornetcy* for which they were registered in such Electoral Division, it will be necessary for them to make a declaration, forms of which will be provided at every Polling Station, to the effect that they have not voted, and undertake not to vote at any other Polling Station in such Electoral Division.

Voters cannot, of course, under any circumstances, vote at a Polling Station outside the Electoral *Division* for which they are registered, and should it so happen that a voter's name appears on more than one of the Registered Lists of Voters of the Electoral Divisions above referred to, such voter is reminded that it is not lawful for him to vote for more than one Electoral Division in the Electoral Province. the General Conditions of Sale set forth, and further to such Conditions as may be declared on the day of sale.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale, one tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase money is less than twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Civil Commissioner, which sureties will bind themselves in regard to such payment as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

The expenses of Survey on each Lot, and of the Title Deed (viz., 12s. 3d.), shall be paid to the Civil Commissioner or other duly authorised person in that behalf on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond, bearing interest at the rate of four per centum per annum, in favour of the Government for four-fifth of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

PROPOSED "KOMGHA MUNICIPALITY."

NOTICE.

IN terms of Section 9 of Act 45 of 1882, Notice is hereby given that at a Public Meeting of Householders and Registered Voters resident within the limits of the present Village Management Area of Komgha, held on 1st July, 1903, the following Petition to His Excellency the Governor was adopted unanimously, praying that the Area therein defined, should be constituted a Municipality, in terms of the said Act, of which Resolution due intimation is hereby made to all concerned.

Komgha, 8th July, 1903.

Unto His Excellency Sir Walter Francis Hely-Hutchinson, K.G.C., K.C.M.G., Governor and Commander in Chief of His Majesty's Colony of the Cape of Good Hope, and of the Colonies and Dependencies thereof, &c., &c., &c.

The Humble Petition of the Undersigned sheweth:—

That your Petitioners are Registered Voters, not less than twenty-five in number, for the election of Members of Parliament, resident within the area of the proposed Municipality of Komgha, as after described.

That the town of Komgha is the seat of a Magistracy, and is the centre of extensive pastoral and agricultural enterprise and interests. It is in process of being connected with the rest of South Africa by Railway, and this fact, combined with rapid increase of population, and extension of business pursuits, renders the adoption of a Municipal form of Government, in the interests of the public health, a matter of urgent necessity.

That your Petitioners desire that Your Excellency should declare the town of Komgha a Municipality under the provisions of the "Municipal Act of 1882," and assign the name of "Komgha Municipality" to such Municipality, the area of which will be the limits contained within the following boundaries, which are identical with those now under the control of the Komgha Village Management Board, as defined in Government Proclamation No. 131 of 1903, viz.:—"From the South-Eastern Beacon of the Komgha Commonage, common to Farms No. 223, No. 225, and 257, as shown on plan 1932oo, filed in the Surveyor-General's Office; thence along the boundaries of the following Farms, so as to exclude them from the area, No. 257, No. 260, No. 278, No. 217, to the Great Kei Road: thence along the Great Kei Road to its junction with the North-Western Boundary of Komgha Commonage; thence along the boundaries of the following Farms, so as to exclude them from the area Farm No. 218 and Farm No. 223, to the Southern Beacon common to Komgha Commonage, being the Beacon first named."

That your Petitioners desire generally to exercise, when found necessary, the entire powers conferred on Municipal Authorities under said "Municipal Act of 1882"; and, specifically, that said proposed Municipality be governed by a Council composed of a Mayor and five Councillors; that it be vested with powers of entering into contracts, and of borrowing money for the purpose of, and subject to the provisions of the said "Municipal Act of 1882"; also power to hold Municipal lands and to apply to Your Excellency, in writing, for consent to dispose of, or alienate, or permit to be built upon, enclosed, or cultivated any part or portion of the Commonage pasture lands of the Municipality, or any other lands which shall be vested in the said Council; to appoint Officers to assist in the execution of the Act, and to pay them such salaries as the Council may determine, and to suspend and dismiss such Officers; to frame Bye-laws and Regulations as provided in Section 109 of the said Act; to make valuations, and to make, levy, and recover rates upon all rateable property within the Municipality.

Your Petitioners humbly pray that Your Excellency, in your discretion will be pleased to grant the prayer of this Petition, or such part or parts thereof as to Your Excellency may seem just and meet in the premises.

And your Petitioners, as in duty bound, will every pray.

W. H. SWAN,
A. C. SEALE,
H. V. BROWN,
A. D. CAMPBELL,
And 24 other Registered Voters resident within proposed Municipal Area.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, als geamendeerd door artikel IV., V., en VI, van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat het volgende stukken Kroonland, gelegen in de afdeeling van Middelburg, bij publieke auctie te koop aangeboden zal worden voor het kantoor van den Civielen Commissaris, te Middelburg, om 10 uur v.m., op Dinsdag, den 27sten October, 1903, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en in de algemeene koopcondities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en alle zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van de Civielen Commissaris goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot die betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van execussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk deel van den Grondbrief (nl., 12s. 3d.) zullen aan de Civielen Commissaris, of anders te dien opzichte wettelijk geauthoriseerde persoon, op den koopdag betaald worden.

De kooper zal verplicht zijn een verband te passeeren, gevende interest tegen vier per cent per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, dan zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van de datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

De Kaarten en Condities van Verkooping kunnen gezien worden ten kantore van den Landmeter-Generaal, Kaapstad, en ten kantore van den Civiele Commissaris, Middelburg.

The Voter will then fold up the Ballot Paper so as to show the Official Mark on the back, and leaving the Compartment, will, without showing the front of the paper to any person, show the Official Mark on the back to the Presiding Officer, and then in the presence of the Presiding Officer, put the paper into the Ballot Box, and forthwith quit the Polling Station.

Municipal Office, Beaufort West,
1st October, 1903. 5963c

In the Court of the Eastern Districts of the Cape of Good Hope.

In the matter of the petition of MICHAEL BURROWS, of Grahamstown.

UPON reading the above-named petition lodged under "The Titles Registration and Derelict Lands Act, 1881," setting forth that petitioner is entitled to transfer of Lots 29, 30, 32, 33 and 34, being portion of the Lots 27 to 34, inclusive of Lot 97, at Grahamstown, as per diagram attached to the transfer dated 3rd January, 1854, in favour of the late James John Henry Stone and Richard Graham Stone, measuring as per remaining extent 123 square roods and 138 square feet, subject to the registered passage over Lot No. 29; that the said property was transferred to one Frederick Lucas, on the 5th March, 1864, and is still registered in his name, but he died many years ago, and there is no executor of his estate; that in the year 1868, some trees on Lot 30 fell upon petitioner's property adjoining, and damaged the same, and in consequence thereof, and to settle disputes, possession of Lots 29 and 30 was given to petitioner, to use as he chose; that, about the same time, the said Frederick Lucas gave to petitioner the Lots 32, 33 and 34, so long as he did not himself require them, they being then useless to him; that all the said Lots 29, 30, 32, 33 and 34 have been fenced in by petitioner, and have been in his possession since the year 1868, and he has paid all rates and taxes thereon, and has cultivated them; that by reason of the exercise of complete ownership thereover, he has acquired a prescriptive right to the same

And praying for an Order authorising the Registrar of Deeds to enregister them as his property.

Upon reading also the affidavit and other documents filed

IT IS ORDERED

This rule to be published once in the *Government Gazette*, the *Journal*, and the *Penny Mail* within one week.
